PLANT-QUARANTINE IMPORT RESTRICTIONS

OF

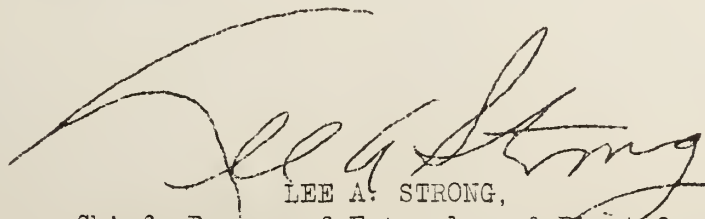

CENTRAL AMERICA

S A L V A D O R

Permit Required to Import Raw or Ginned Cotton

Legislative decree No. 208, published in the Diario Oficial of December 1, 1937, prohibits the importation of raw or ginned cotton into Salvador except under permit from the Ministry of Finance.

Permits for the importation of cotton will be issued only in the event that supplies of Salvadorean cotton are not available.
